

NEISD Art After-School Program

The goal of the Art After-School Program is to teach basic techniques in different art forms and dimensions, allow for the development of the children's imaginations, as well as provide an introduction to art history and various artistic styles. The art classes are provided twice a week in a relaxed, nurturing and supportive environment on the campuses of a number of NEISD primary schools, for the K - 5th graders who are attending the KINS program.
